Spring Harvest Now Underway In District

With the fine drying weather of the past two weeks the grain in both swath and stook is sufficiently dry to allow threshing and combining, and wherever farmers can get on the fields spring harvesting is under way. In fact considerable grain has been threshed in the Didsbury district this past week.

DAMAGE FROM MICE HAS BEEN EXTENSIVE

Damage from mice has been extensive and losses of 50 per cent and upwards have been reported. Yield generally is fair despite this mice damage, and grades and bushel weights are better than expected in most cases.

CROP PROSPECTS FOR 1952

The following report in the Alberta Wheat Pool Budget deals with crop prospects:

Most of the farming area of Alberta has an abundant carryover of moisture from last year, and from that standpoint crop prospects appear to be very good. It is estimated that the moisture content of the soil is 35 percent above normal. Seeding is likely to be delayed in those areas where harvesting of the 1951 crop has yet to be completed, and prospects are that the wheat acreage in this province will be as large this year as last year.

In fact wheat acreage may be increased somewhat.

Lone Pine W.I. Makes \$187.07 At Dance

The April meeting of the Lone Pine W.I. was held at the hall with Mrs. H. Shells as hostess. Ten members and two visitors were present and the dance was answered by handing in an article for the fall bazaar.

It was reported that the dance and raffle held in March showed a net profit of \$187.07, \$5 had been sent to the Salvation Army, and \$20 was donated to the Red Cross hospital.

Each member was given \$1.00 to make an article for the bazaar. A resolution regarding the home for crippled adults was brought before the meeting by Mrs. Bell of Carstairs, and this was voted on and passed and will be presented at the conference to be held in Olds on April 21.

Mrs. B. Shells read an article on "Diseases Our Enemy," which was very interesting.

The 10c draw netted \$120 and Mrs. Algrin held the lucky number.

The next meeting will be held at the home of Mrs. Jack Underhay.

The hostess served a lovely pot luck lunch at the close of the meeting.

Continued Need For New Army Recruits

"There is a continuing need for a steady flow of good recruits to maintain expanded corps and units of the Canadian Army, both at home and overseas," Capt. Roy L. W. Jones, Western Command Recruiting Officer, said on a periodic visit to Didsbury on Monday.

Capt. Jarline said the general response to special recruiting drives has been excellent. However, he pointed out that the Army now has more than 45,000 active force soldiers and that a large monthly intake is required to maintain this level and provide for rotation of troops abroad.

During the spring of this year the Army will be bringing home several thousand troops who have served one year in Korea. Similar rotation for troops now in Europe will take place next fall. To provide replacements for these men and ensure that no soldier is separated from his family for more than one year overseas the Army is seeking a regular flow of young men interested in a military career with the chance to serve in Europe or the Far East.

Vacancies exist in most all corps and trades of the Army. The most current need is for men in the Infantry where they may join such famous Alberta units as the P.P.C. L.I. or Loyal Edmonton Regiment. Applicants should enquire at the local Army Information Centre at Reher Brothers office, for complete details.

WEST CALF CLUB MEETING

The regular monthly meeting of the Didsbury West Calf Club was held at the home of Carl Meyer on April 12. Members judged a class of purebred Hereford heifers and also a class of purebred yearling Hereford steers.

The next meeting will be held at the Jack Robertson farm on May 10. A delicious lunch was served by Mrs. Meyer, followed the meeting.

Hillbilly Courtship A Fast Moving Farce

"Hillbilly Courtship," a fast-moving hilarious farce in three acts, will be presented by the Didsbury Hillbillies for one day. Here you will see what happens when Ma Peppin, the widow, and deaf old Pappy Stubby begin one of their mountain feuds. As this feud rages verbally, and otherwise, you will discover what happens when Ma's daughter, Emmy, and Pappy's son, Luke, fall in love. But the real courtship comes as quite a surprise in the form of one Louis Cattero and Bridget O'Flannigan.

With Lulu Triffet and Seelie Triffet, two other hillbilly "canaries," Wash Jeddo, the hillbilly manager; Sol Silverstein, a Hebrew manager; and the Reverend Roswell, the cast is completed. A cast as unpredictable as one of the Ozark feuds.

This play by Austin Goetz will be presented by the Redemer Welter League in the basement of Redemer Church on Thursday, April 24 and again on Friday, April 25, beginning at 8:00 p.m.

"Hillbilly Courtship" is a two and a half hour production.

Lone Pine Orioles Have Tailing Lesson

The April meeting of the Lone Pine Orioles was held at the home of the Spragg girls with eight members and one visitor present. The song "Springtime in the Rockies" was sung to open the meeting, and roll call was exchanging flower seeds.

Mrs. Shells gave an interesting paper on "How to Keep Our Uniforms Pressed and Neat."

The ten-cent draw netted \$130 and was won by Mrs. B. Shells. The bit of fun was won by Mrs. B. Shells, and by Sandra Brandon for the Juniors.

Mrs. Dowell taught the members how to tail and everyone took a great interest in it.

The May meeting will be held at the home of the Weber girls.

To close an enjoyable afternoon a lovely lunch was served by the hostess.

CANVASS FOR SALE

Remember, that members of the 1st Didsbury Scout Troop will be canvassing the town starting Wednesday of this week for articles for their rummage sale on Saturday, April 26. Anything you wish to donate will be greatly appreciated.

Proceeds from the sale will be used to finish paying for the Scout hall located on the community centre property.

JOHN KOCH FUNERAL SERVICES APRIL 24

Funeral services for John Koch, age 37, who was found dead on the farm east of town on Saturday, will be held from Knox United Church, Didsbury, on Thursday, April 24, at 2:00 p.m., with Rev. C. Armstrong officiating.

Burial will follow in the Didsbury cemetery with Didsbury Funeral Home in charge of arrangements.

John Koch Jr. was the son of John P. Koch of Didsbury.

April Meeting Of Bancroft Buttercups

The April 19th meeting of the Bancroft Buttercups was held at the home of Marlene Chappell. The meeting opened in the usual manner, by singing "April Showers" and repeating the Creed. All members answered the roll call by bringing a 5c package of flower seeds to exchange with others.

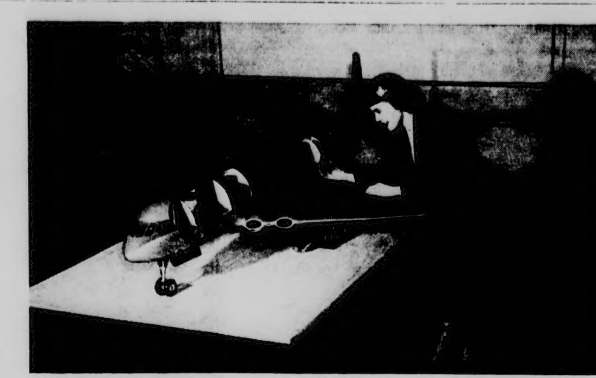

Nine members and one visitor, Mary Aarts, were in attendance. It was decided to hold the Mother and Daughter Banquet on June 15 at the Bancroft school. Also to spend \$5 for a wedding gift for newlyweds in the district.

Mrs. March demonstrated huck weaving and this will be done at the next meeting.

The April objectives was to bring the completed list of members.

The raffle was won by Shirley Schmick and netted \$11.10.

The next meeting will be held on May 21st at the home of the Neumiller girls.

MODEL WITH A MODEL—Pretty

Ann Martin of Montreal takes time out to pose with a seven-foot, nine-inch model of a deHavilland jet aircraft which will go into service on the Canadian Pacific Airlines trans-Pacific service this year.

Of plastic and metal construction, the model has a wingspan of nine feet seven inches, with rubber-tired wheels on a retractable undercarriage which can be operated by hand to fold into the belly of the aircraft. A removable panel in the side displays the interior of the model which consists of crew compartment, showing pilot and co-pilot seat in front of a detailed control panel. The wireless operator's dials and range sets are aligned in one corner while the navigator's working table is shown in the other. The next section shows lounge

WM. WILSON RETURNS TO HOME IN CALGARY

Mr. Wm. Wilson, a former resident of Didsbury who is living in Calgary, came out to Didsbury on the train last Wednesday evening and started to walk to the home of Mr. and Mrs. Wm. Summers, west of town. When it became dark Mr. Wilson lost his way and started back to town. However he strayed from the road near town and walked into the slough on the Ben Krueger farm where he was helpless to move further. He hollered for help and his pleas were finally answered by local citizens who immediately took him to the local hospital.

Mr. Wilson is now back in Calgary with his daughter, none the worse for his experience.

MELVIN NOTES

There will be a dance at the Melvin hall May 23rd. Music by the Melody Five.

Miss Marie Kershaw spent the Easter weekend at the home of her sister, Mrs. Emil Krebs.

Mr. and Mrs. Lloyd Fischer and family spent Easter in Calgary with relatives.

Little Patsy Chandler of Airdrie spent the Easter holidays with her grandparents, Mr. and Mrs. Lloyd Chandler.

Little Richard Krebs enjoyed the Easter holidays with his grandparents, Mr. and Mrs. Emil Krebs.

The April meeting of the Melvin W.I. was held at the home of Mrs. George Youngs last week with an attendance of nine members and two visitors. Mr. C. Gibbs, district convener, was able to be present. Roll call was a gardening hint.

In view of the almost depleted W.I. funds it was decided to donate only \$5 toward the Red Cross wheel chair at the present time.

Mrs. Dupont gave out Red Cross sewing to be finished as quickly as possible and reported that two quilts made by Melvin W.I. had recently been turned in. A third, a child's crib quilt, was finished by Mrs. Fischer and brought to the meeting.

Mrs. Kershaw, as her topic on social welfare, gave a most interesting reading on Banting, boon to ulcer victims, and Mrs. Chandler read the Easter Story from the Scriptures.

Mrs. C. Gibbs gave a talk on current news of the local Institutes and read a humorous article on how to avoid colds.

The angel food cake contest was judged by Mrs. C. Gibbs, Mrs. R. McNaughton and Mrs. Rose Young. First and second prizes went to Mrs. A. Schneidmiller and Mrs. L. Chandler.

A delicious lunch was served by the hostess at the close of the afternoon.

The next meeting will be at the home of Mrs. W. Summers.

FIRE BRIGADE MAKES QUICK RUN TO GRASS FIRE

The Didsbury Fire Brigade made a quick run about 7:15 p.m. last Wednesday to answer a call to a grass fire at the back of the George Thuring residence. The fire was extinguished by the time the brigade arrived, which was less than five minutes after the siren sounded, so it appears that our local fire brigade is right on its toes.

James Currie To Be New "Pioneer" Editor

While rumors have been prevalent during the past two weeks of the sale of The Didsbury Pioneer to Mr. James Currie, until recently on the mechanical staff of the Calgary Herald, the deal was not completed and official announcement has been withheld until this issue.

Mr. Currie takes control of "The Pioneer" May 1st and will retain Mr. Wilfred Skerry on the staff with the present publisher assisting for the present time.

"Jim" Currie is the son of Mr. and Mrs. John Currie of Olds and entered the newspaper business in 1938 under the guidance of Mr. W. H. Miller of the Olds Gazette. In 1940 he went to work for the Lacombe Globe. He then transferred to the Calgary Herald (bank and served overseas with this unit in Sicily, Italy and the continent, taking part in the famous D-Day raid. Returning to Canada in 1945, Mr. Currie received his discharge and went back to work for the Lacombe Globe. He then transferred to the Calgary Herald as a linotype operator and later assumed a similar position with the Calgary Herald.

Mr. Currie received his education in Olds and married Miss Vimy Howell. They have two children, a boy and a girl under school age, and the family expects to move to Didsbury this week.

Zella W. I. Members To Conduct Cancer Drive

Due to bad roads the Zella W. I. held its monthly meeting at the home of Mrs. Arthur Waldford with Mrs. E. Lowrie as hostess. Ten members and one visitor answered the roll call with a plant slip or flower seeds.

Letters were read from members who had received get-well wishes. Mrs. Jim Johnston presented a gift to Baby Keith Waldford.

A box of two dozen dresses is to be ordered from the Disabled Handicraft Society of Moose Jaw.

Mrs. E. Waldford, Mrs. Bill Broadhurst, Mrs. Tony Spooner and Mrs. E. Lowrie volunteered to canvas for the Cancer Fund.

Considerable Red Cross work was given out.

Mrs. Halgar Christensen demonstrated the making of fruit and flower plaques as her handicraft topic.

The bit of fun was taken by Mrs. John Hansen, Mrs. Tony Spooner won the contest, and Mrs. Joe White won the door prize.

The next meeting takes place at the home of Mrs. Cliff Gibbs on Friday, May 16, when members of the Zella W. I. will be canvassing for the Cancer Fund and the Home Economist, Miss M. Smith, will be the guest speaker.

Bert Prevost Heads Didsbury Lions Club

Bert Prevost was named president of the Didsbury Lions Club by acclamation at a club meeting in the Lions Hall Thursday evening. All other officers were also returned by acclamation and the complete executive which will guide the club for the 1952-53 year is as follows:

President, Bert Prevost.
Past President, Dale Kimmel.
Secretary, Wilf Skerry.
Treasurer, Fred Evans.
1st Vice-Pres., John Folkmann.
2nd Vice-Pres., George Law.
3rd Vice-Pres., Chai McNichol.
Lion Tamer, Emile Dupont Sr.
Trail Twister, Al Engwer.
Directors: Joe Freeman, Howard Allison, Lorne Clayton and Elmer Pieper.

Reports were given by President Dale Kimmel on the presentation of the plays and dance at Mevion, and the Vanity Fair and Auction Sale held at Didsbury. The plays and dance were not too well attended, due mainly to the poor condition of the roads, and only a small profit was realized. The two plays will again be presented in the Lions Hall in Didsbury on Friday and Saturday, May 9 and 10.

The report on the auction sale showed it to be a highly successful activity, with over \$400 being realized from the sale of all articles. Donors of sale articles and all Lions who assisted in making the affair a success were tendered sincere thanks by president Kimmel.

Roads In Bad Shape From Town To Highway

The two roads leading from town to the highway have been almost impassable this past week due to frost bolts and many cars and trucks have been in difficulty. For the driver who knows local roads travel has been a bit easier by taking a cut off through the lane at the D. N. McDonald residence, and when the turn-off became boggy cars and trucks were getting to the highway by going south for half a block at the W. McCoy residence and then out through the field to the lane and south to the south road.

Roads are drying out rapidly and with frost now pretty well out of the ground it is hoped that town and country roads will soon be back to normal.

Six Members Attend Mr. View W.I. Meeting

Mountain View W.I. held its regular meeting in the Mountain View hall on April 17 and the meeting opened with O Canada and reading of the Creed.

Six members and two visitors were present and roll call was "did you know?"

Cancer drive books were distributed among the members, and the sum of \$10 was donated to the hall board for the upkeep of the hall.

Mrs. Garnet Tighe gave an interesting paper on Agriculture.

The meeting adjourned with God Save the Queen and a pot luck lunch was served.

Rugby Blue Bells Give Soap To Red Cross

The April meeting of the Rugby Bluebells was held at the home of Lila Blain with nine members and one visitor present.

The meeting opened with a lively sing-song, and roll call was answered by a round robin discussion on "why children should have pets."

Each member brought a bar of soap to be sent to the Red Cross, and \$1.00 will be sent to the Crippled Children's Fund.

Each member made a place card for Easter. These were judged by Mrs. Blain and Lillian Hosegood won first for the junior girls and Elsie Blain and Viola McNaughton tied for first for the seniors.

Mrs. Leif gave the "bit of fun." Mary Lou Hosegood won the tea draw.

The meeting closed by singing God Save the Queen, after which the hostess served a delicious lunch. The next meeting will be held at Dwyla Byrt's home on May 10.

ZELLA NEWS NOTES

Congratulations to Mrs. Halgar Christensen who won \$381 on Casino Carnival on Monday, April 14.

Mr. and Mrs. Jim Johnston motored to Grainger over the weekend when they attended the funeral of Mrs. Johnston's grandfather.

A number of the W.L. ladies attended the conference held at Olds School of Agriculture on Monday and Tuesday.

Mrs. Cliff Gibbs is again confined to bed after a relapse with the flu.

MALE VERSUS FEMALE

Wary bachelors who want to stay that way had better leave the big cities.

There's safer refuge for them in the new mining towns, the oil fields, the frontier communities and even on the farms. For there are smaller proportions of females waiting there to nab them.

Out of Canada's total population of 14,009,429, there are 168,316 more men than women, and excess of 12 males over females per 1000. But in most of the bigger cities there are more women than men.

CHRISTIAN SCIENCE

The much discussed question. What happens after death? will be expounded Sunday in all Christian Science churches under the subject, "Probation After Death." Attention will be directed to the following from "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Every day makes its demands upon us for higher proofs rather than professions of Christian power." (p. 233). And to this promise from the Bible: "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him." (James 1: 12).

WEDDINGS

RINEHART-SMITH

North Hill United Church, Calgary, was the setting for the wedding recently of Shirley Marguerite, daughter of Mr. and Mrs. A. W. Smith, Innisfail, when she became the bride of Donald Marvin Rinehart, son of Mr. and Mrs. C. H. Rinehart of Didsbury. Rev. J. L. Pattruff read the marriage lines.

The bride, given in marriage by her father, was gowned in white net with full skirt featuring diagonal inserts of nylon lace. A matching bolero with Billy point sleeves completed her gown and her veil was held in place with a coronet of brilliant. She carried a bouquet of deep red roses and wore a cameo necklace.

The bride's sister, Miss Yvonne Smith, was bridesmaid and wore a pink lace dress with matching jacket and veil and carried a bouquet of blue carnations.

Linda Rinehart, niece of the groom, was the flower girl and wore a gown of yellow satin and carried a bouquet of spring flowers.

Mr. Bernal Rinehart, brother of the groom, was best man and Mr. Ronald Smith, brother of the bride, and Mr. Donald McArthur, brother-in-law of the bride, were ushers.

During the signing of the register Mrs. Loraine Dayle sang "Oh Promise Me."

For her daughter's wedding Mrs. Smith wore a navy dress suit with mauve accessories and a corsage of pink roses. The groom's mother chose a blue dress with navy accessories and wore a corsage of red roses.

The reception for the fifty guests was held at the Harris Sky Room, where the bride's table was centered with a three-tiered wedding cake made by the bride's mother.

For motoring to Montreal on their honeymoon the bride wore a two-toned gray suit, gray gabardine top coat with black and white accessories and a corsage of sweetheart roses.

Mr. and Mrs. Rinehart will make their home in Calgary.

ENRICHED FLOUR

The Canadian government has amended regulations for the production of flour and bread, making provision for the enrichment of white flour, reports the Northwest em Miller. It is expected that the

new regulations will come into effect in the near future.

The main difficulty which has been holding up their acceptance has been a difference in opinions between bakers and millers, as to just who should add the enriching

ingredients. Provision is made for the addition of thiamine, riboflavin, niacin and iron.

Hitherto the only province in Canada where enrichment has been permitted was Newfoundland, where flour has been enriched when that area became a province.

The Wheat Board has contracted to deliver 50 thousand tons of Canadian wheat in the form of flour to Italy during the April to July period. The deal was made under the terms of the International Wheat Agreement.

SPRING TUNE-UP FOR TRACTORS

Whether the tractor has been used all winter or not, this is a good time to check the machine and have it in top operating condition for spring work. C.A. Chesire, Extension Agricultural Engineer, Alberta Department of Agriculture, offers the following suggestions.

The lubricating system should be flushed and refilled with new oil of the proper viscosity, and naturally this should be done while the engine is warm. Mineral or premium oil should not be replaced with heavy oil unless proper changeover procedure is followed.

Transmission oil should be changed every spring, and manufacturers' recommendations, as set forth in the instruction book, should be followed.

Fuel level in the carburetor should be checked at least once a year, and adjustments made to keep it at the required height. As a rule this can be most easily done by a mechanic or serviceman. If necessary it can be done at home simply by using a rubber hose and short length of glass tube. If the fuel level is too high, heavy fuel consumption and carbon accumulation results, while a low fuel level gives a lean mixture with high temperature and possible valve damage.

The ignition system should be checked, spark plugs regapped or replaced, wiring examined and the timing checked. Detailed instructions for such check-up procedures are generally given in the operator's manual supplied with the tractor.

In addition to checking the lubrication, fuel and ignition systems, the whole machine should be cleaned, and the clutch, brakes and steering adjusted. Doing this work now can save both hours and dollars in the spring when the rush is on.

CANADIAN DOLLAR SWINGING ON PENDULUM

Here's what the experts tell about the future of the Canadian dollar: "Evidence points to the prospect that the Canadian dollar is swinging now on a pendulum that will not carry it much more than two percent on either side of parity with the U.S. dollar. This four percent spread, if maintained, is probably as near to stabilization as anything short of an artificial peg can achieve. So long as it is maintained, the Canadian government is not showing any inclination to interfere with the swing."

KERRY WOOD ADVOCATES
NATURAL PARKS FOR TOWNS

Kerry Wood, popular writer of Red
Deer who has published several ar-
ticles and books on wildlife in
Central Alberta, has just released
copies of his latest book, "The Sanctu-
ary," which gives the history of
Gaetz Lake Park on the outskirts of
Red Deer.

Mr. Wood is a keen naturalist and
in "The Sanctuary" has not only
stressed the pleasure he enjoyed as
a boy in Gaetz Lake Park, but of
the many hours of toil members of
the Red Deer Natural History So-
ciety put in to transform a former
bird sanctuary from a neglected
playground into an established
wildlife park.

Many towns and villages in Al-
berta have similar natural areas as
Red Deer, which could be trans-
formed into beauty spots where
citizens could seek rest and relaxa-
tion. Mr. Wood has shown the way,
and anyone interested would be
well-advised to read "The Sanctu-
ary," which can be obtained from
the author at Red Deer for the sum
of \$1.50.

TAME GRASS PASTURES

Farmers in the dry prairies are
advised to make greater use of
tame grass pastures. The recom-
mended tame grasses of today, says
the Swift Current Experimental sta-
tion, display a level of feed value
as high as the native grasses and
can be expected to produce twice
as much feed. Native grass past-
ures ordinarily yield from 200 to
500 pounds of dry weight forage
per acre; crested wheatgrass will
yield from 500 to 1,000 pounds.

In addition to crested wheatgrass,
newer grasses such as Russian wild
rye and intermediate wheatgrass
are now recommended. Russian
wild rye is a very drought resistant
plant which does not "brown-off"
in midsummer as does crested
wheatgrass. It maintains a high nu-
tritional value well into the fall
and shows speedy recovery after
dry seasons, heavy grazing and cut-
ting.

Intermediate wheatgrass has creep-
ing roots like brome, but is more
easily established. It is generally a
heavier yielder than brome.

Agricultural
SERVICE
BOARD
NOTES

W.K. Snyder,
Field Supervisor

Service Board Convention

At the recent convention which
was held in Edmonton there were
District Agriculturists, Field Super-
visors and former board members
from all over Alberta. Service Board
matters and problems were discus-
sed by various officials connected
with the Department of Agriculture.
Co-operation between District Agri-
culturists and Field Supervisors
came in for a thorough discussion.
It was pointed out that since the
D.A. is an employee of the govern-
ment, and is a well-trained man,
he is usually in a position to give
advice concerning technical prob-
lems connected with farming. He is
an authority on livestock and grain
and is trained specifically to be of
special assistance in these matters.

The Field Supervisor is an em-
ployee of the Municipal Council
whose appointment is approved by
the Department of Agriculture. He
is supposed to be a man who has
had experience with the practical
side of farming and is considered
to be an authority on weed control
and soil conservation. To him falls
the more or less unhappy lot of en-
forcing the Noxious Weeds Act, and
Pest Control Act. As you will see,
there is somewhat of a division of
duties and we try to avoid overlap-
ping as there is plenty of scope of
activity for both.

Tree planting, chemical weed con-
trol, wild oat control, livestock pro-
grams, and etc., all came in for dis-
cussion. This is a time when work-
ers in the field get together to com-
pare notes and gather new ideas.

It would take 53 years for an air-
plane, travelling 200 miles per hour,
to go from the earth to the sun.

Almost all English sparrows in
Canada are descended from eight
pairs imported from England in
1850.

Miss Marylian Befus returned to Edmonton on Wednesday to resume her studies at College.

Mrs. Max Nately and children of Olds are visiting Mr. and Mrs. Jack Edwards and family and relatives in the district.

Mr. and Mrs. Lynn Hunsperger and family were Wednesday visitors with Mr. and Mrs. Alfred Cook and family.

Mrs. J. J. O'Brien and daughters returned to Edmonton on Saturday after spending the Easter holidays with her mother, brothers and sisters in the district.

Mr. and Mrs. Ian Morgan and family of Carstairs were Sunday guests of Mr. and Mrs. J. B. Hipkin and family.

Mr. and Mrs. C. Bereth and family were Sunday dinner guests of Mrs. George Meyer and son.

Sunday guests of Mr. and Mrs. Lynn Hunsperger were Mrs. D. E. Wood, Mrs. R. L. Long and Miss Grace Hunsperger, the occasion being Mrs. D. B. Wood's birthday.

Sunday dinner guests of Mr. and Mrs. M. Dippel were Mr. and Mrs. J. Winterbottom and Linda.

Mr. and Mrs. Louis Hildebrand and family of Carstairs were Sunday guests of Mr. and Mrs. H. W. Folkman.

Mr. and Mrs. W. A. Sherrick were Calgary visitors Tuesday.

Mr. and Mrs. Norman Weber were Calgary visitors Thursday.

BERGEN NOTES

A meeting to discuss current problems of the school was held in the Bergen school on Wednesday evening, April 16. Mr. Dave Burke, Divisional Board member, was present and main subjects discussed were water seepage in the school basement and the need for a teacher to accommodate the teacher. It was decided that excavations be put on the school at once. Mr. Burke spoke briefly and distributed pamphlets on the Olds School Division school survey.

Mrs. Fred Amussen and Mrs. Wesley Haug boarded the train at Calgary on Sunday evening on the first lap of their trip to Scotland. They will sail on the "Samaritan" on April 24 from Quebec, and will dock at Northampton. Mrs. Amussen will visit at Carlisle, where she has relatives, and Mrs. Haug will be with her mother in Paisley. They both intend to visit Mrs. Dave Allen, formerly of Bergen. We are sure both these Scotch lassies will be glad to see their native land and we wish them a very enjoyable journey.

M.V.B.C. NOTES

The final examinations for the year will be held on Wednesday and Thursday of this week. On Friday there will be general clean-up day around the school. Mr. Peter Waldrin with the assistance of the Maintenance Superintendent and the Housekeeper will be in charge of the day. We expect the accumulation of winter days to disappear and the campus to take on that clean, cared for look again.

The students taking part in the Serman Award Contest are to be congratulated for their fine work both in manuscript and oral interpretation. Miss Gretlo Anderson was the winner of the contest, gave her sermon in the United Missionary Church on Sunday. Mr. Charles Matson and Mr. Chris Andersen were second and third in the awards.

Scripture Memorization and Reading awards were decided on Sunday afternoon in the United Missionary Church. Four contestants gave their selections with Miss Iris Schlitt and Miss Dorothy Stauffer taking first and second place in the contest. We congratulate these two young ladies.

President Hoskins has gone east for the new school car. The acquisition of this car will mean a great deal to the school another winter. Mr. Hoskins is expected back by Wednesday.

Remember the appearance of the A Cappella Choir this coming Friday evening. Last week they held their concert in the May City United Missionary Church. On Sunday they were guests in the Westcott United Church, sang in the Hospital during the morning, and appeared in Mountain View Community Hall in the evening service conducted there. So remember Friday night, 8:15 p.m. and watch for special posters as to place.

On Sunday afternoon the Baccalaureate service will be held in the United Missionary Church at 3 p.m. Rev. E. D. Young will be speaking. The Commencement service will be held in the Tabernacle on the school Campus on Monday evening at 8 o'clock.

We do appreciate the many friends who are assisting the school at this time. Quite a number have brought us vegetables and eggs. This has been most kind. There will be a number of High School students left in the dormitories after the College closes, and we will appreciate continued assistance.

MOUNTAIN VIEW

Congratulations are extended to Mr. and Mrs. Bob Jones (Joyce Wood) whose marriage took place on Saturday, April 19, at the home of the bride's parents, Mr. and Mrs. Mac Wood.

Miss Dickie, teacher at the Gore school, returned Sunday from Bearberry where she spent the Easter holidays at her home.

Mr. John Parker of Goldfield, Saskatchewan, visited over the weekend with his parents, Mr. and Mrs. Bruce Parker.

Miss Shirley Smith of Innisfail visited Easter week with her cousin, Maxine Fulkner.

The A Cappella Choir of Mountain View Bible College was in attendance at the Mountain View United Missionary Church Sunday evening.

Mr. and Mrs. George Clarke and Carol left last Tuesday with Mr. Donald Shultz for Hobema to work for W. P. Shultz.

Mr. and Mrs. Joe Hunter and boys have returned to their farm in the Neapolis district.

Mr. and Mrs. Faught and Dean Thomas of Olds district spent Easter Sunday at the home of Mr. and Mrs. B. A. Atkinson.

Sunday visitors with Mr. and Mrs. Mac Wood and Pat were Mr. and Mrs. Jack Girling and Lynn. Mr. and Mrs. Blair Forbes and Vallerie.

Alce Wood, Mr. and Mrs. George Kirkpatrick, Lonna, Carol and Bud. Mr. and Mrs. L. Hunter. Mr. and Mrs. J. Worrall. Mrs. Jack Garner.

Mrs. M. M. Wood, Mr. Frank Moon and Mr. Mac Hurst and children.

Mr. and Mrs. B. A. Atkinson were Calgary visitors last weekend and attended the bull sale.

A number of people of the Davenport district surprised Mr. Charlie Pratt and family Sunday evening, the occasion being his birthday. Cards were sent and a lunch was served to complete an enjoyable evening.

Mr. and Mrs. Bill Spooner of Acmé spent Sunday with Mr. and Mrs. Garnet Tighe.

Sunday dinner guests with Mr. and Mrs. Wm. Bruce were Mr. John Brown, Virginia and Billy, and Mrs. Rex Dawson and Koren. Afternoon visitors were Mr. and Mrs. Scotty St. Clair, Wayne and Janet Ann.

WESTCOTT NOTES

Miss Deloyce Goetjen left on the weekend for Eckville where she will resume her teaching duties.

Mrs. Henry Wilshusen and daughter Marion spent last Wednesday afternoon visiting with Mrs. Goetjen. Mrs. Wilshusen has not been well for some time, suffering from a circulatory disease, and we all hope that with the warmer days ahead and medical care she will be well soon.

Swaths and stooks are drying out fast and many farmers are making plans to resume harvesting operations this week. Mr. Linden Jacobsen was combining over the weekend and it is reported that his barley suffered little ill effects for being out all winter.

Edgar Smith is reported to be very ill with mumps at his home.

Mrs. Lyle Good was released from hospital over the weekend but the wee daughter is still in the incubator and must remain there until her weight is up a bit more.

Mrs. Lena Sanderson has been helping out at the Golden Home this last few days while Mrs. Goetjen is laid up with a very bad case of flu.

Easter holidays have come and gone for the youngsters attending school and so it was back to school everywhere Monday morning. However it will only be a little more than two months and the school year will be finished, with the long holiday ahead.

CREMONA NOTES

Mr. and Mrs. Shantz of Red Deer were Saturday guests at the home of Mr. and Mrs. Hettinger. While in Cremona they renewed several old acquaintances.

Bobby Pearce of Calgary visited during the Easter holidays with Mr. and Mrs. H. Pearce and family.

Misses Evelyn and Myrna Latimer of Madden visited during the Easter holidays with Misses Wanda and Marilyn Rawleigh.

Mrs. Lloyd Price and Patrice of Carstairs have returned home after visiting for two weeks with Mr. and Mrs. M. Hewitt.

Mr. and Mrs. A. Poffenroth and family of Calgary were Easter weekend guests at the home of Mr. and Mrs. R. Parsons.

The Cremona Club met this week at the home of Mrs. McQuarrie and first prize was won by Miss Jean McQuarrie and consolation by Mrs. A. Leininger.

Mr. Bill Ward arrived back in Cremona over the weekend after a recent trip to his home in Oklahoma.

It is only 18 miles across the English Channel from Dover, England, to Calais, France.

WESTERDALE

Farmers have commenced thresh-
ing and combining (what the mice
haven't eaten) of their last year's
crop. Mr. Ben Kershaw completed
his threshing on Saturday and es-
timated a loss of one-third of the
yield.

We extend a speedy recovery to
Mrs. D. Landeen who is a patient
in the Didsbury hospital suffering
with pneumonia.

The Willing Workers canister set
draw was held at the dance last
Friday evening and Miss Nellie
Berling of Sundre was the lucky
winner.

The Western League Baseball
meeting was held at the Waterside
school on Sunday afternoon with a
small attendance. The election of
officers took place with Mr. J. Wiper
of Hartman, president; Mr. R.
Jackson, Westdale, 1st vice presi-
dent; Mr. R. Miller, Hainstock, 2nd
vice president; Mr. S. Hodgson,
Waterside, secretary treasurer; Mr.
A. Johnson, Hartman, arbitrator.
Four teams entered the league,
Hainstock, Westdale, Westside and
a combined Hartman-Sundre
team. Games are to commence on
May 11.

Mr. T. Crofton, Westside school
teacher, spent the ten-day Easter
holiday in Calgary.

"ROCK WITH HAIR ON IT" SITE
OF HUGE ASBESTOS DEPOSIT

High on a mountain in the north-
western corner of British Columbia
there is a 300-acre area jutting out
from the side like a green blister on
a desert. From a distance it has the
appearance of a patch of peas in a
bed of limestone and slate, growing
strangely in a wilderness.

For the past 80 years, prospectors
have sighted it, examined it, then
passed on to search for something
"valuable" as they tested, then dis-
carded particles of a formation

which has been described by an
Indian as "rock with hair on it."

The outcropping they passed up
is now the basis of a multi-million
dollar mining proposition.

The "rock with hair on it" is as-
bestos and marks the location of
what geologists have claimed may
be the world's largest known asbes-
tos deposit. Many of the prospectors
who passed it up knew it was asbes-
tos but in those years it had no
demand. Its present value comes
with the requirements of a troubled
world.
